The Revolutionary Solution

Key Features & Benefits

- 
Non Toxic
to Humans
- 
Service Free &
2yr Warranty
- 
Tested &
Certified
- 
Compact &
Lightweight
- 
Easy to
Operate

Current Certification

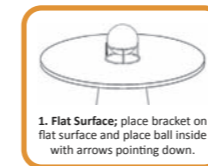

Usage and Installation

Mountable to any flat surface, wall or ceiling; kitchen top, shelf, near fire places or electrical outlets, in garages, car boot, boat.

Simply mount the Fire Extinguisher Ball in a fire prone area with supplied bracket and screws. Always placing the ball into bracket with arrows pointing down.

The Fire Extinguisher Ball will automatically self activate upon flame contact within 3-5secs and extinguish a fire up to 3 cubic meters.

Vacuum or sweep up the residue powder after fire is entirely extinguished.

Technical Specifications & Warranty

The Fire X Fire Extinguisher Ball has a 2 year warranty and 5 year shelf life. Upon the products 5 year end-of-life expiry date, Firetech's 'Cradle to the Grave' commitment and responsible business ethics, ensures the effective collection, re-use, recycling or disposal of any unused expired fire extinguishers.
